Topic: Pledge to support Scholarship Fund at Auction to be held April 3, 2012 at High Meadow Ranch in conjunction with the annual Scholarship Tournament

Ladies and Gentlemen,

Our association has done a tremendous job of granting scholarships to our children. This is a very honorable effort. The board is asking for pledges of rounds of golf, turf products, turf equipment, golf equipment, hunting or fishing trips and anything of value to enter into an auction to further support the scholarship fund. We feel that it is critical to grow the fund to be able to increase the number of scholarships due to the increased number of our children. Please go to your management team and let them know of this worthy cause. Rounds of golf and items valued at less than \$200 will be auctioned by silent auction. We will have a live auction for several of the larger more lucrative items at the April meeting at High Meadows Ranch Golf Course.

Please get the pledges to Marian (stgcsa@stgcsa.org) as soon as possible.
